# The Conference

THE OIL AND GAS INDUSTRY  
**CONFERENCE**

How the UK oil and gas industry can continue to make significant contributions to the UK economy, under the theme of **'Facing the Future'** will be the focus of Oil & Gas UK's fourth annual conference at Aberdeen Exhibition and Conference Centre on **6 June 2017**.

The oil and gas industry has countered considerable challenges due to the dramatic fall in oil price. This conference aims to arm delegates for the difficulties and opportunities that could still lie ahead.

Leading Industry figures **Ayman Asfari, Chief Executive of Petrofac, and Andy Samuel, Chief Executive of the Oil and Gas Authority**, are just two of the conference keynote speakers. Further names will follow in the coming months.

This unique one-day event will offer attendees the opportunity to hear from government, regulators, industry leaders and specialists on a wide range of topics including special focus sessions on: **Industry Vision, Industrial Strategy, Investment Stimulation, Health, Safety and the Environment, Supply Chain Resilience and Competitiveness.**

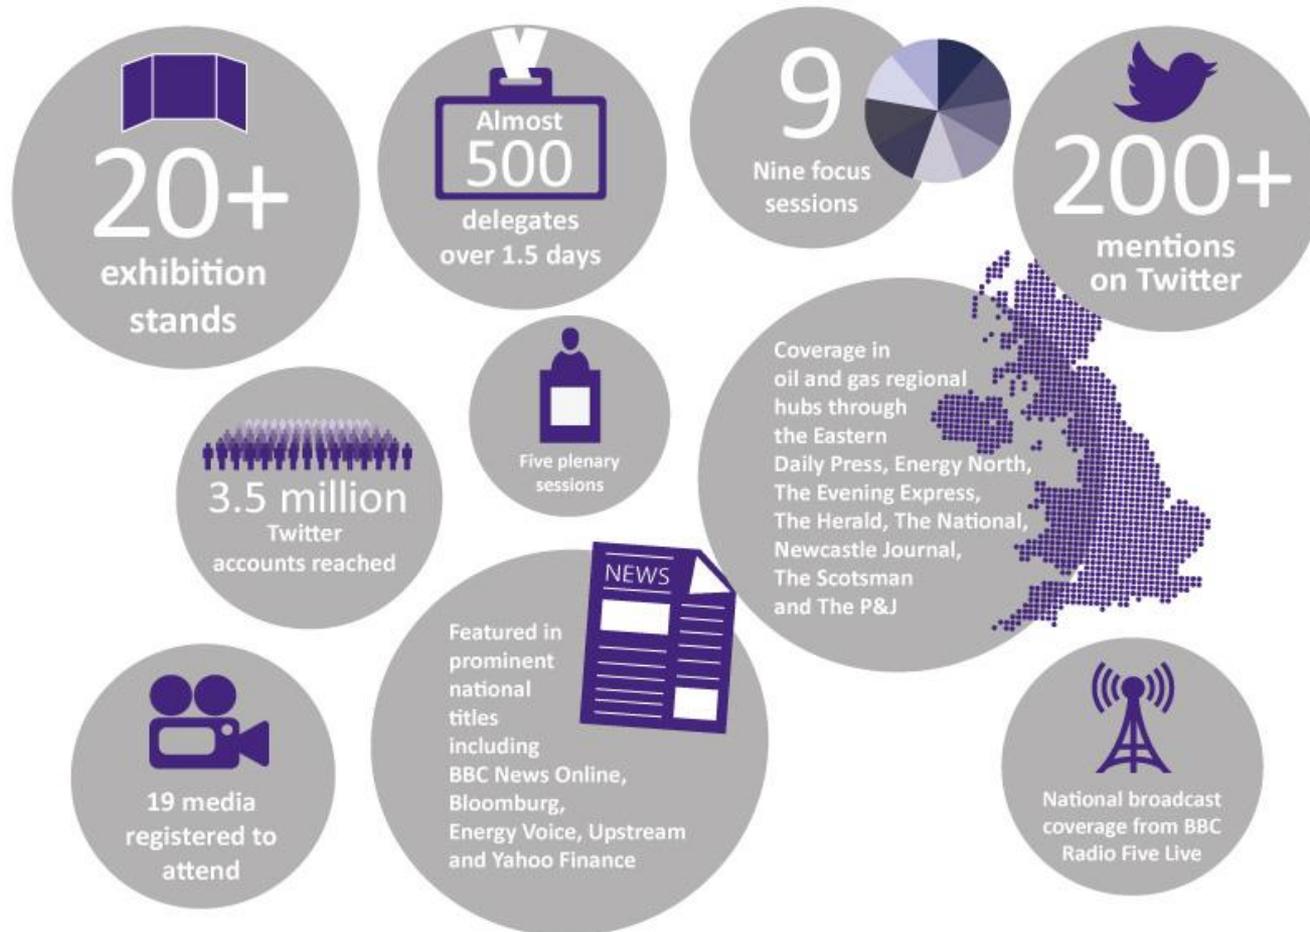

# Reasons the get involved

# 2016 Oil and Gas Industry Conference

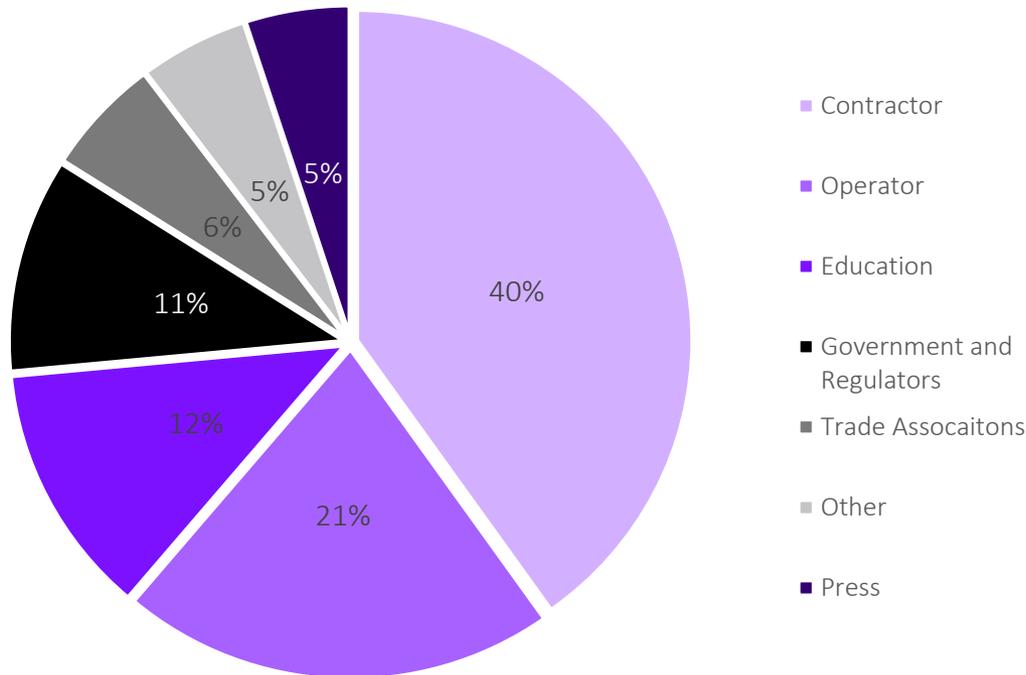

THE OIL AND GAS INDUSTRY  
CONFERENCE

Can you afford not to be involved?

# A conference that represents the industry as a whole

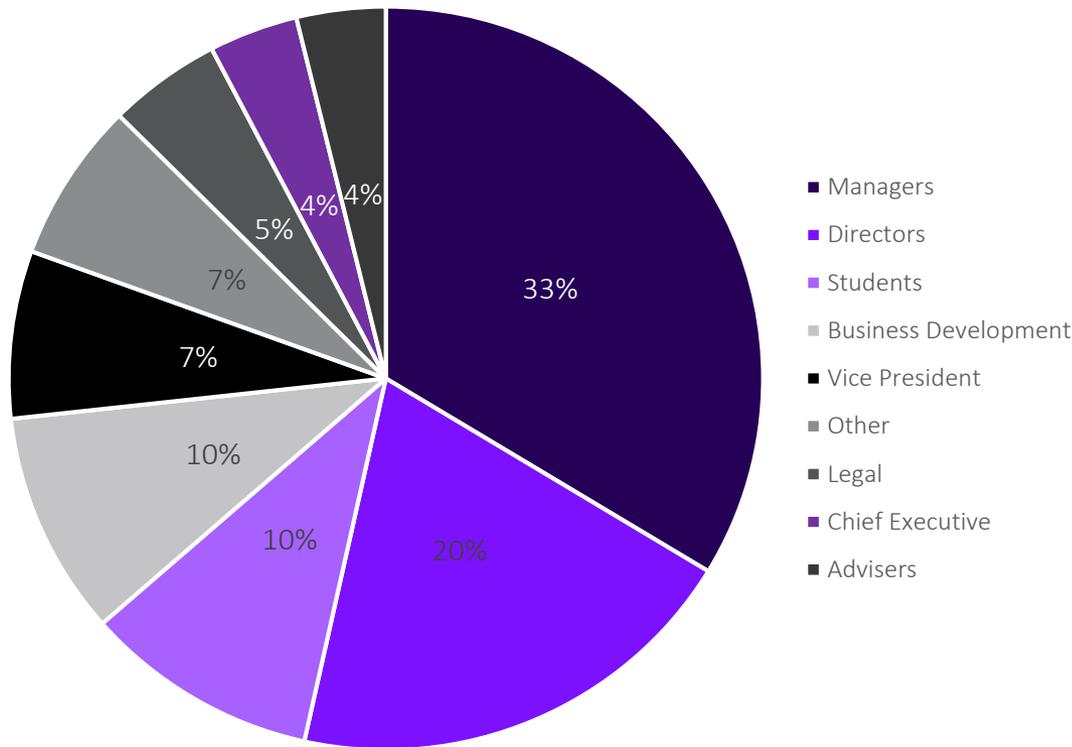

## Company Attendance 2016

I genuinely believe that the **content and speakers** have been the **best** I've attended in my 8 years in Aberdeen

# A conference that attracts quality attendees

Delegates by Job Title

Congratulations on what was an **excellent conference**. In normal conditions, putting on a conference with such varied and appropriate speakers, along with the level of attendance is difficult, but in this climate was a **miracle!** However, you **pulled it off admirably**.
